This action was brought pursuant to the Fair Labor Standards Act and the New York Labor Law. The parties negotiated a resolution of their dispute. Thereafter, the parties memorialized, in a written settlement agreement, the terms and conditions under which they agreed to resolve their dispute. See Docket Entry No. 44. That document was submitted to the Court for its review and approval. The Court reviewed the agreement, held a conference with the parties to discuss it and, during that conference, directed that the settlement agreement be revised. The parties have revised their agreement, see Docket Entry No. 54, which the Court has reviewed. Based on the parties' arm's-length negotiations and the Court's review of the parties' revised written settlement agreement, the Court finds that the settlement agreement is fair and reasonable; therefore, the Court approves the settlement agreement.

The Clerk of Court is directed to record this action as terminated, on the docket sheet maintained for this action.
